

Friends of the National Institute of Dental and Craniofacial Research

PATIENT ADVOCACY COUNCIL

Part of the Friends of National Institute of Dental and Craniofacial Research, the Patient Advocacy Council is a group of non-profit patient advocacy organizations working to tackle diseases or conditions with an oral health component. The priorities of the Patient Advocacy Council are to:

Support oral
health research
and
NIDCR

Transfer
oral health
research from
bench to Chairside

Chair: Eileen Sexton
