

AADOCR / ADEA / FNIDCR Advocacy Day

Washington, DC | May 6-7, 2026

#FundOralHealth

Improving Oral Health Is Our Shared Responsibility.

You can make a difference today! Share your support for funding oral health online.

Below are sample Tweets, Facebook and Instagram posts that you may use on Advocacy Day, but we invite you to create your own and make them personal. **Be sure to use the #FundOralHealth hashtag when posting about Advocacy Day.**

X (formerly Twitter):

1. Oral health is integral to overall health. Continued investments in @NIH, @NIDCR_NIH and @HRSAgov are critical to improving the health of our country. Let's make a difference together! #FundOralHealth
2. I stand with @AADOCR, @ADEAweb and #FNIDCR in asking Congress to appropriate \$46 million for Title VII Oral Health Training Programs @HRSAgov. #FundOralHealth
3. Breakthroughs in dental and craniofacial research start with federal investment. I stand with @AADOCR, @ADEAweb and #FNIDCR in asking Congress to appropriate \$570 million for @NIDCR_NIH. #FundOralHealth

4. Everyone deserves access to medically necessary oral health care. I stand with @AADOCR, @ADEAweb and #FNIDCR in asking Congress to pass the Ensuring Lasting Smiles Act (ELSA)—[S.1677/H.R.3277](#). #FundOralHealth
5. I stand with @AADOCR, @ADEAweb and #FNIDCR in urging Congress to reject policies that create administrative barriers to funding the most meritorious research, including proposals to forward fund all grants up front. #FundOralHealth
6. As we head to Capitol Hill for @ADEAweb, @AADOCR and #FNIDCR Advocacy Day, we're urging Congress to support strong funding for NIDCR and HRSA's Title VII Oral Health Training Programs. A strong workforce depends on it. #FundOralHealth
7. Scholarships funded by @HRSAgov help oral health practitioners enter the workforce and serve communities with the greatest need. At Advocacy Day, @ADEAweb, @AADOCR and #FNIDCR are urging Congress to support \$46M for HRSA Title VII oral health programs that invest in students and access to care. #FundOralHealth
8. Thank you, @[insert your Member of Congress], for meeting with us today to discuss the importance of dental and craniofacial research and oral health training programs! #FundOralHealth

Facebook:

1. As we take to the Hill for the ADEA/AADOCR/FNIDCR Advocacy Day, we're sharing with Congress the importance of funding NIDCR and HRSA's Title VII Oral Health Training Programs! Let's make our voices heard! #FundOralHealth
2. We just had a fantastic meeting with [insert your Member of Congress] during the ADEA/AADOCR/FNIDCR 2026 Advocacy Day! We discussed the importance of funding Title VII Oral Health Training Programs at the \$46 million dollar level and funding NIDCR at the \$570 million dollar level. Feeling hopeful for positive results! #FundOralHealth
3. Another successful ADEA/AADOCR/FNIDCR Advocacy Day in the books! We met with [insert your Member of Congress] to discuss funding NIH at the \$51.3 billion dollar level and the need to maintain current negotiated facilities and administrative costs (F&A rates). #FundOralHealth
4. I stand with ADEA/AADOCR/FNIDCR in urging Congress to pass the bipartisan Ensuring Lasting Smiles Act (ELSA), [S.1677/H.R.3277](#), to secure coverage for the diagnosis and treatment of congenital anomalies and birth defects affecting the face and mouth. #FundOralHealth

5. ADEA, AADOCR and FNIDCR advocates are on Capitol Hill for Advocacy Day 2026, urging Congress to invest in oral health education. With more than 71 million people living in dental shortage areas, we're calling for \$46 million in FY 2027 funding for HRSA Title VII programs to strengthen the workforce and expand access to care nationwide. #FundOralHealth
6. Today is our ADEA/AADOCR/FNIDCR Advocacy Day! Join us in advocating for oral health training programs and dental research funding. #FundOralHealth

Instagram:

1. Today, @AADOCR, @ADEAweb and #FNIDCR are on Capitol Hill to tell Congress about the importance of funding Title VII Oral Health Training Programs at the \$46 million dollar level. These programs are critical to strengthening the oral health workforce and expanding access to care. @HRSAgov #FundOralHealth
2. Federal investment fuels discovery. Support funding NIDCR at the \$570 million level for lifesaving dental, oral and craniofacial research that improves the quality of life for millions of Americans. #FundOralHealth @AADOCR @ADEAweb #FNIDCR
3. We're here to tell Congress about the importance of funding NIDCR at the \$570 million dollar level. This funding makes advances in oral health research possible and positively impacts millions of Americans. #FundOralHealth @AADOCR @ADEAweb #FNIDCR
4. Just wrapped up a great meeting with [insert your Member of Congress] for the ADEA/AADOCR/FNIDCR 2026 Advocacy Day! We highlighted the need to support NIH funding at the \$51.3 billion dollar level and the importance of maintaining current negotiated facilities and administrative costs (F&A rates). #FundOralHealth @NIHgov @AADOCR @ADEAweb #FNIDCR
5. Just wrapped up a great meeting with [insert your Member of Congress] for the ADEA/AADOCR/FNIDCR 2026 Advocacy Day! We highlighted the need to support funding Title VII Oral Health Training Programs at the \$46 million dollar level. These programs are critical to strengthening the oral health workforce and expanding access to care. @HRSAgov #FundOralHealth
6. We're here to tell Congress about the importance of funding Title VII Oral Health Training Programs at the \$46 million dollar level. These programs are critical to strengthening the oral health workforce and expanding access to care. @HRSAgov #FundOralHealth
